Response –

The college is affiliated to Savitribai Phule Pune University, Pune and runs a three year full time graduate programme designed to prepare students with management and interpersonal skills to meet the challenges of today's corporate world. The program equips students with strong conceptual skills to manage businesses in an integrated manner. The emphasis is on developing a holistic manager with a vision to take on the challenges of the future in a socially sensitive manner.

Mission:

- * To impart quality education to the students belonging to all the sections of the society irrespective of caste, creed, religion, gender and colour.
- * To uplift the socially deprived and academically weak student by empowering them with knowledge.
- * To develop moral, ethical, social and aesthetic values amongst the students.
- * To cultivate amongst the students the respect and awareness towards environment and facilitate an ambience to kindle the light of knowledge and love.

Vision:

SNBP College ,Yerwada, Pune is truly guided by generating new knowledge by imparting value based education to accomplish the right attitude and skills to promote academic excellence in constructively contributing to the nation in particular and world in general. The college firmly believes that the power of education has a major role in liberating people from poverty and illiteracy. The vision statement is articulated in:

- * Promoting education amongst the deprived and underprivileged sections of the society.
- * Developing value based human resources who can positively contribute to the society.
- * Reckoning as an institution equipping its students with knowledge and love translating its wisdom and to soar beyond the horizon.

The courses offered equip students with strong conceptual skills to manage businesses in an integrated manner. The emphasis is on developing a holistic manager with a vision to take on the challenges of the future in a socially sensitive manner.

Quality Policy

We are committed to impart quality education and management to accomplish the needs of student's overall development, entrepreneurial skills along with expectation of students their guardian and society at large. This is achieved through total involvement of trained, qualified and
