Date: 18/01/2022

On 18th January 2022 our college successfully organized a workshop on "Career in Airlines and Aviation industry". The purpose of the workshop was to make students aware of different career opportunities available in airlines and aviation industry. The workshop was organized for the all students of class BBA and BCA. The chief guest for the workshop was Mr. Jitendra Singh and Mr. Rohit Barfe.

The speaker explained that aviation is a growing sector which is expected to provide huge opportunities in the future years. He explained why to choose an aviation career depend on different points:

- Passion for aviation and flying.
- Prestige and a sense of pride.
- Today's most innovative technology.
- Career opportunities in every state.
- Lucrative salaries and travel benefits.
- Jobs that can't be outsourced out of the country.
- Wide range of career paths to suit different interests and skills.

The speaker also explained different career opportunities available like pilot, flight attendant, airport manager, airline station manager, air traffic controller, airport security officer etc.

The lecture ended with question and answer session. On the whole, the entire deliberation was very interactive and interesting. It was a golden opportunity for the students to know about the different career options available in airlines and aviation industry.

REPORT

GUEST LECTURE ON BASIC OF COMPUTER NETWORKING AND TECHNIQUES

SNBP College, Yerwada organized a guest lecture on computer networking and techniques for the students of streams. Assistant Prof. Chitalkar D.K (Head of computer science department of Vikas Pratishthan's Late Tukaram Dhondiba Pathare Arts, Commerce And Science College) was the recourse person. The primary objective was to expose students to the new trends in Computer Networking and to build practical view through expert session.

Objectives of the Guest Talk: To encourage the students in attaining knowledge on the basics of Computer Networks and concentrate on building a firm foundation for understanding Data Communications. The discussion was based on the OSI Reference Model which deals with the major issues in the bottom three layers of the model (Physical, Data Link and Network). The session was very informative to students which described the currently used network technologies and protocols in the industry.

Learning outcome

- Have a good understanding of the OSI Reference Model and in particular have a good knowledge of all layers.
- Analyse the requirements for a given organizational structure and select the most appropriate networking architecture and technologies
- Specify and identify deficiencies in existing protocols and then go onto formulate new and better protocols
- Have an understanding of the issues surrounding Mobile and Wireless Networks.
- Have a working knowledge of datagram and internet socket programming

The session was interactive and guest concluded by addressing the benefits of Computer Networking as it provides cost-effective resource sharing, freedom to choose the best computer networking method and access flexibility. For this workshop total 28 from different classes participated.

SEMINAR ON CORPORATE CULTURE

Date: 18/12/2021

On 18th December 2021, our college successfully organized a seminar on "Corporate Culture". The purpose of the seminar was to develop an aptitude and attitude amongst students for working effectively and efficiently in the modern day business environment.

The speaker for the session was Ms. Nausheen Shaikh. She gave the students an overview of the changing corporate environment. She further explained the dynamic work culture and its contemporary requirements.

She emphasized that single person cannot have the understanding of multi-culture; therefore, a team is required to work in a corporate sector. She also said that employee behavior is influenced by the culture of corporate he/she is working in.

Speaker readily answered all the queries put up by the students on corporate culture. The session was highly informative and motivating for the students.

OVERVIEW

S. N. B. P. College organized an Industrial Visit on 09th February 2022 at Sahuwala Cereals Pvt. Ltd, located at Keshnand for the students. The visit was organized with prior permission and guidance of/C Principal Prof Ganesh Bhosale.

Industrial visit was carried out at Sahuwala Cereals for enhancing practical and industrial knowledge of BBA students. As a Part of the SPPU guidelines and directives, Industrial Trips are organized by the colleges under the Educational Trip, so that the students can stay updated with latest business environment. The main objective behind the visit was to make student aware about practical skills regarding logistics and documentation and other managerial activities.

Myself along with DrVinitRokade as a faculty and 31 students visited the Sahuwala Cereals and started the trip from S. N. B. P. College, Yerwada, and Pune Campus at 10:00 a.m. and reached there in an hour.

Industrial visit was held at Sahuwala Cereals Pvt. Ltd. with a motive of providing the students a practical experience about the real life corporate world. The company is located in the Keshnand, Pune. All the students of BBA along with the faculty opportune to visit this industry which is known for its wide range of wheat flour items.

The students were given information about the working of the factory by Mrkailash. The Managing Director MrSiddhant Gupta also briefed about the factory and answered the queries by the students.
