Report: Program 1

Nirbhay Kanya Abhiyan- Woman Empowerment.

S.N.B.P College organized Nirbhay Kanya Abhiyan on 21/09/2022. In the workshop girl students learnt different techniques of self-defence. Ms. Radhika Kale demonstrated **self-defence technique** and Mrs Pooja Suryavanshi conducted interactive session on the theme of personal hygiene of girls. **58** girl students participated in the programme. This program aimed to help deprived women to improve their self-confidence by helping them to improve their literacy. In this Nirbhay Kanya Abhiyan we gave the knowledge and awareness regarding menstruation and HIV/AIDS among college going adolescent girls. As well as we encourage them to participate in different sports activities so that they know the girls and women Who play sports have a more positive body image and experience higher states of psychological well-being than girls and women. In all **58** girls students participated in the abhiyaan.

The Program was a great success. Girl students were very happy about what they had learned in today's session especially self-defence techniques. Vote of thanks was delivered by Asst Professor Mrs Prajakta Temkar.

REPORT

GUEST LECTURE ON BASIC OF COMPUTER NETWORKING AND TECHNIQUES

SNBP College, Yerwada organized a guest lecture on computer networking and techniques for the students of streams. Assistant Prof. Chitalkar D.K (Head of computer science department of Vikas Pratishthan's Late Tukaram Dhondiba Pathare Arts, Commerce And Science College) was the recourse person. The primary objective was to expose students to the new trends in Computer Networking and to build practical view through expert session.

Objectives of the Guest Talk: To encourage the students in attaining knowledge on the basics of Computer Networks and concentrate on building a firm foundation for understanding Data Communications. The discussion was based on the OSI Reference Model which deals with the major issues in the bottom three layers of the model (Physical, Data Link and Network). The session was very informative to students which described the currently used network technologies and protocols in the industry.

Learning outcome

- Have a good understanding of the OSI Reference Model and in particular have a good knowledge of all layers.
- Analyse the requirements for a given organizational structure and select the most appropriate networking architecture and technologies
- Specify and identify deficiencies in existing protocols and then go onto formulate new and better protocols
- Have an understanding of the issues surrounding Mobile and Wireless Networks.
- Have a working knowledge of datagram and internet socket programming

The session was interactive and guest concluded by addressing the benefits of Computer Networking as it provides cost-effective resource sharing, freedom to choose the best computer networking method and access flexibility. For this workshop total 28 from different classes participated.
