

About Alumni Cell

An Alumni cell of SNBP College, Yerwada is a dedicated body that maintains and strengthens the relationship between the institution and alumni.

Alumni counsel the current students and provide placement information through talks.

Tree plantation programmes are carried out on the campus ground

Participation in Blood Donation Camps in association with Sahyadri Hospital, Yerwada, Pune

Some prominent sports persons who are alumni provide coaching in sports to the students.

Objectives of the Alumni Cell

- To build a strong network between alumni and the current students and faculty.
- To involve alumni in the growth and development of the college.
- To create opportunities for mentorship, internships, funding, and placements.

Key Functions of Alumni Cell

1. **Maintain a Database**

- Collect and manage alumni contact information, work details, and accomplishments.

2. **Organize Events**

- Alumni meets
- Guest lectures or webinars by distinguished alumni.
- Reunions and networking events.

3. **Career Support**

- Alumni mentoring programs for students.
- Internship and job opportunities through alumni referrals.
